

CAMP NCN

MAY 2018 NEWSLETTER

Recently, I have made some changes to the weekend events so they would be more single men friendly. For example, the Nude Olympics now has a 'Twist'. Please visit <http://campncn.com/store> and check them out.

SPANK has been converted to '**4th of July NCN Style**', due to it not being very popular. BDSM will still be welcome anyplace but for customers doing it, you will have to be responsible for your actions!

CAMP NCN is now open for the season; there are a couple of new RULES!

Smokers: I had RON build a 'Smokers Hut' next to Party Central for those of you that can't kick that filthy habit. I made Party Central NON-SMOKING last May, and this year,

SMOKING will ONLY BE ALLOWED **10 PLUS FEET
from any building!**

Otherwise the wind will blow it back in. Many of you know I smoked for several years, many years ago. I quit cold turkey, but it was the hardest habit to KICK! And it was my STUPIDITY, for letting people smoke in their years after the smoking ban went into effect. And now I'm paying for it! My doctor told me I got Chronic Lung Disease, caused by second-hand smoke.

NOW YOU KNOW WHY I MADE PARTY CENTRAL NON-SMOKING, THANKS FOR UNDERSTANDING.

Look forward to seeing you this season.
