

# CAMP NCN Newsletter

March 1, 2016

Dear Valued Guests and Customers,

Our March Complete Hotel Takeover is just about full and the April party is about half full.

But as of today, I have NO MORE Resources for any more Hotel Takeovers this fall. Many Hotels don't like Nudity or SEXUAL FREEDOM! And I refuse to do a clothing party. But all the NCN Events held at the Campground will remain Sexual Freedom!

As you know this summer I will be having 35 days of SEX ED. Now for the first time, you can book an event that lasts 15 nights and camp onsite the entire time. I want to encourage more people to stay for a longer period of time!

This is my **GUARANTEE**: you will see open sex all 15 nights on the main stage or inside the pavilion in case of bad weather "**From 3 to 6PM**".

Even F\_CK FEST will be wilder this year. SO... If your a Sex aholic and/or not offended by open sex, this will be the place for you this spring thru fall.

For all new customers after April 15th, the **SEASONAL RATES** will be \$3,000.00 per couple, or single for the spring thru fall season. This includes 50AMP Electric, water, and sewer and the price of the events. Prices will stay the same for the regular seasonal campers!

JUST BECAUSE THIS IS A SEXUAL CAMPGROUND, you do not have to Participate in any Activities! Always remember "NO MEANS NO". Voyeurs are also welcome.

As said previously, we have LIVE DEMOS during our 35days of SEX ED so you might want to pack extra lawn chairs. OR WHO Knows.....

it might turn into a big ORGY!

I hope to see a lot of new people here this year. At least now, you will know how to plan your summer.

Take care & I will see you soon.
