

Jan-May 2020 Newsletter | Updates

Camp NCN

Greetings,

Jan. to May 2020 Newsletter with Updates

I hope everyone had a wonderful holidays. I'm not around, I'm in the DR till March 19th. If you need to know something ASAP please text or call Ron R. 715-284-6969 or contact my web person: "Michael R." <milraymk@gmail.com>

With the 2020 season just around the corner, I'm already getting bookings, But there are a few things you need to know.

The Restaurant will NOT be open this year so please bring food with you. The Restaurant will be remodeled and my office is expanding. The 'Party Central Play Room' will move into the Restaurant, which gives our guests (that's you) extended play time. This will also give the BIG Groups more seating room. One thing that's very important for our 'Squirters': if this describes you, please bring plenty of extra towels. If the carpeting becomes too soiled, we'll have to discontinue use.

"Please NO carry drinks in the play areas". We plan to have a little lounge next to the play area, to socialize. Unless customers abuse this new concept, it will stay open all night for your enjoyment.

The Bar will be managed by Dean & Deb and will have more bar specials each night.

There will be about three new events for 2020 and I plan on having more coordinators to make them supper fun. I have hired some live bands to come in this summer, and DJ Chris said he would be back.

AND PLEASE REMEMBER, SMOKING WILL ONLY BE ALLOWED IN YOUR PERSONAL VEHICLE, RV, ETC. THIS IS NEW For 2020.

Thank you for being our valued guest.
Marvin O. Thomann "Owner of NCN Events"
